Proposal to transfer

Tudor Grange Academies Trust

What is a Multi Academy Trust?

A **Multi-Academy Trust (MAT)** is a group of schools that work together under a single organisation.

Instead of each school operating completely independently, the schools are governed by one Trust that is responsible for supporting and overseeing all of its schools.

Tudor Grange Academies Trust (TGAT) is an education charity founded to ensure equal access to high-quality education.

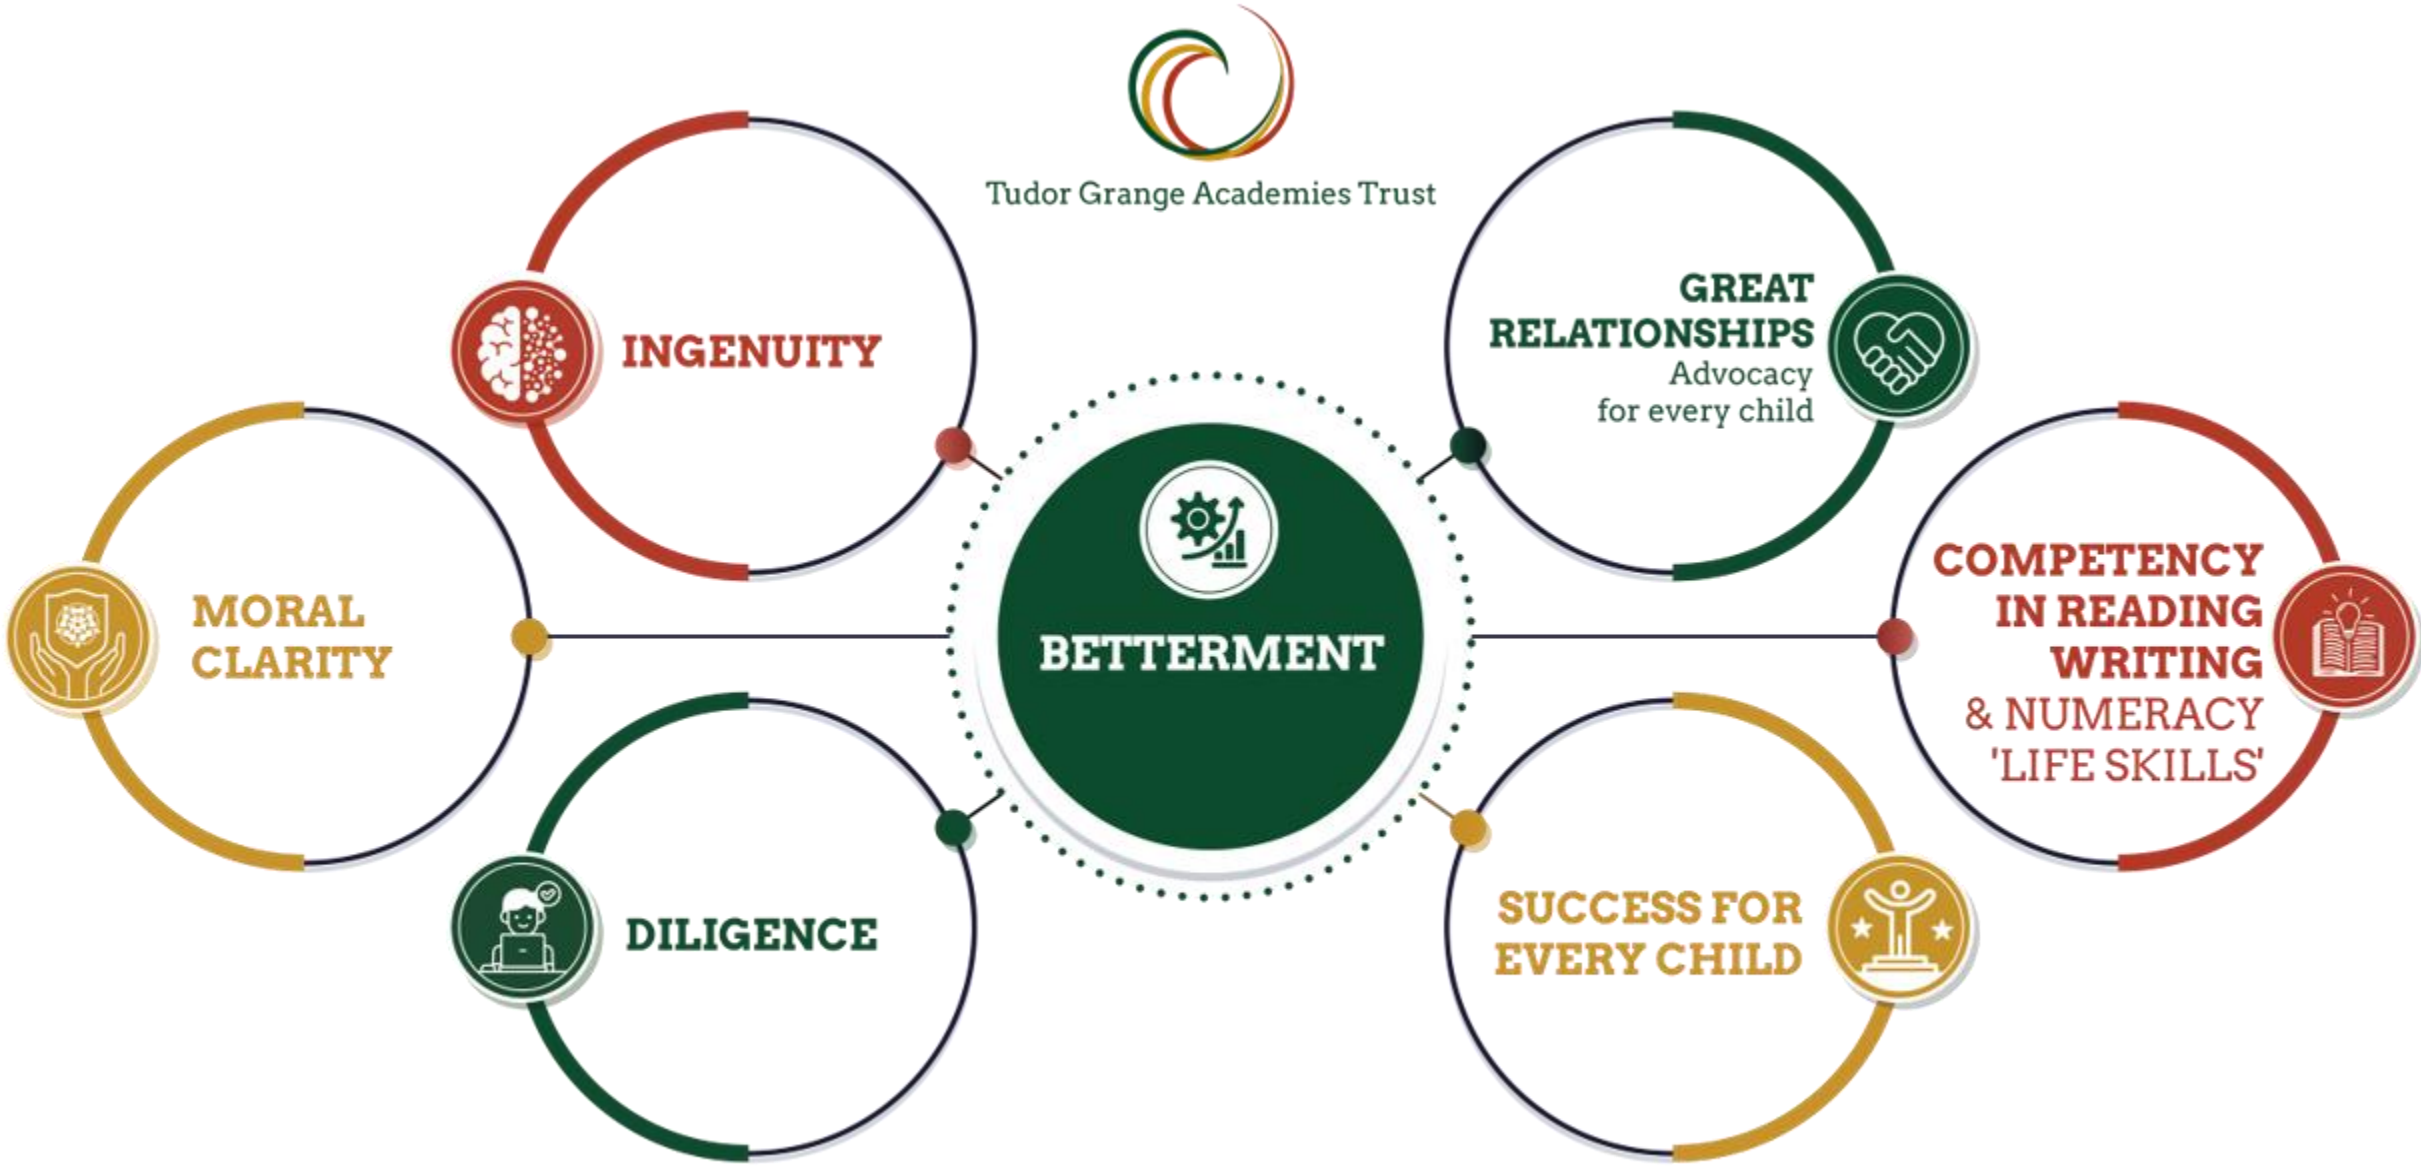

Betterment.
Stronger together.

Tudor Grange Academies Trust

One identity, different stories.
